Birmingham City Schools Dropout Recovery Class

The Division of Student Support Services in conjunction with School Support Programs is committed to providing assistance to all students and their families in an effort to remove all academic barriers to learning. Birmingham City schools offer students the opportunity to learn important skills that help them understand the importance of education through the support of student programs with this Dropout Recovery class located at the Campus of Hope.

The primary purpose of the Dropout Prevention Program and its staff members is to collaborate with districts, schools, and other sectors of the community by exploring ways to prevent students from dropping out of school. The program provides them with resources, opportunities and outreach that will ultimately help students.

Birmingham City Schools ultimate goal is to provide students with support programs that will enrich, enhance, and innovate students the importance of education. They plan to make sure that this program is geared to motivate students to stay focus, alert, and ready to take advantage all that the system has to offer.

**Dropout Recovery**

- This program is designed for students who are 17 or older and have been out of school for a year or more.

- The number of credits needed and the academic proficiency of the student determines how fast they complete the program.
